### Holiday Training.

Whether you are in a squad or in learn to swim, if training is not continued or maintained, over the break, fitness and the skills, will be lost. Kambala girls, keep in mind that your swim carnival is on **Feb 6th(Snrs)** and **Feb 21st (Jnrs)** .

Therefore you will need to keep up some training to ensure further fitness/skill development for the all important swimming Term. Keep in mind that some areas of fitness can be lost at twice the rate you gain it and 'detraining' can start taking effect after only 3 weeks of inactivity.

## On Friday, 25th November, the Annual Tivoli Swim School Christmas Party and Tivoli Swim Club presentations will take place at Parsley Bay Reserve, from 5—7pm.

We invite all swimmers and their families to come along and enjoy the party.

All swimmers will be catered for, as far as drinks, snacks and activities are concerned. All we ask is that you place your families name and the number of children attending on the sheet, which will be displayed on the notice board.

It should be a great evening, weather permitting. Just remember to BYO picnic.

**Santa** will make a brief appearance too— keep an eye out for him!
